

# What is NDLM

Making one person in every family digitally literate is one of the integral components of the Prime Minister 's vision of “Digital India”.

## Two levels of training under the SCHEME

**The two levels of IT training envisaged under the Scheme will have the following broad objectives:**

### Appreciation of Digital Literacy (Level 1)

To make a person IT literate, so that he/ she can operate digital devices, like mobile phones, tablets, etc., send and receive emails and search Internet for information, etc.

### Basics of Digital Literacy (Level 2)

Besides IT literacy at a higher level, the citizen would also be trained to effectively access the various e-Governance services being offered to the citizen by the Government and other agencies.

## Eligibility Criteria

**Level 1 :** Non-IT literate - Illiterate and upto 7th standard pass

**Level 2 :** Non-IT literate with atleast 8th standard pass

**Age :** 14 to 60 years
